Location: W246S3244 Industrial Ln, Unit B, Waukesha, WI 53189

Phone: 262-746-9034

We have been helped tremendously by Katy's Kloset, a non-profit equipment lending organization in the Milwaukee area. Anyone can go there and browse their selection of donated equipment and borrow it for free for an unlimited time.

We have borrowed a Kid Kart, a Pony gait trainer, a couple of different corner chairs, a Tumbleform feeder seat, two Big Mack communication buttons, and a stander. It is really great to allow people to try things to see what works before buying, or so that they can have things to use while going through all of the red tape of getting insurance approval. The people there are great, too!
